This 3 bedroom, 2 ½ bath townhome is located in the Intermountain neighborhood of West Vail. The property is just steps away from one of the bus stops on the Town of Vail free bus route offering easy access to Vail Village and Lionshead as well as being just a short drive away from Beaver Creek Mountain and the Town of Avon.

You are sure to enjoy the 3-level floor plan with two bedrooms, a full bath and laundry closet on the ground floor; the living area, dining area, powder room and the kitchen on the main level and the master bedroom with a full bath on the top floor. The living area has a wood burning fireplace with river rock surround and the two skylights in the vaulted ceiling allow for additional natural sunlight. The living and dining areas have new beautiful flooring throughout. The private deck that overlooks a beautiful mountain environment is easily accessed from the living area and is ideal for relaxing with your morning coffee or an evening cocktail and barbeque. The unit has ample storage and a “portable” vented air-conditioning unit on the top floor in the master bedroom area. An added bonus is the one-car carport at the front door and an additional designated parking spot.
